## Stallion Service Contract

Arrival Date \_\_\_\_\_ Departure Date \_\_\_\_\_

1. I hereby agree to breed my mare \_\_\_\_\_ Reg. No. \_\_\_\_\_ to \_\_\_\_\_ for the \_\_\_\_\_ season at \$ \_\_\_\_\_. A check for \$ 250.00 made payable to stallion owner \_\_\_\_\_, along with a copy of the mare's registration papers (front and back) must be returned with this contract (completed and signed) to Davis Ranch. The \$250.00 will be a booking fee and will hold the right of the mare owner to one breeding during the \_\_\_\_\_ breeding season. The booking fee is non-refundable. The remaining breed fee is due upon arrival of mare to Davis Ranch. **No mare will be bred before booking and stallion fees have been paid (unless prior arrangements have been made) and a completed contract and copy of registration papers are on file.**
2. All other expenses, including board, vet expenses, farrier (if necessary), etc. will be due before departure of the mare from the breeding facility. All bills will be paid in full before the mare will be allowed to depart the breeding facility.
3. Live foal guaranteed with return privilege the following season by stallion owner if mare fails to produce a live foal after being sent home in foal. It is understood that should the foal not stand and nurse & live for 24 hours the mare owner will be entitled to a return privilege the following year only. This guarantee applies only if mare owner notifies stallion owner within one week from death of a foal. This notice must accompany a statement from a licensed veterinarian. If the mare proves not to be in foal, the stallion owner has the option to rebreed the same mare or an approved substitute the following year. If the mare is to be returned and the mare owner fails to deliver her for rebreeding the following year, then any and all fees shall not be refundable and this contract is thereby canceled. If the mare should fail to become pregnant, lose the pregnancy or the foal dies; a \$150 chute fee will be due prior to the mare being rebred the following year. If the mare dies or becomes unfit for breeding the mare owner may return the following year with a substitute mare approved by stallion owner.
4. Diligent efforts will be made to impregnate the mare. However, if for any reason she does not become pregnant, the mare owner will not hold the stallion owner, Davis Ranch and/or their representative liable. The breeding season will begin February 1st.
5. It is understood that should the above named stallion die, or become unfit for service, this contract shall become null and void and the breeding fee will be refunded or a substitute may be selected from Davis Ranch stallions at an adjusted fee.
6. A "Breeder's Certificate" will be issued by the stallion owner upon notification of the birth of the foal.
7. All mares must be current on all vaccinations (VEWT, Flu/Rhino, Strangles) and de-worming 30 days prior to arrival at the breeding facility. It is highly recommended that the mare be vaccinated against West Nile virus. Mare owner agrees that the breeding manager and/or their veterinarian may examine the mare for normal breeding conditions and to perform such other services as deemed necessary at mare owner's expense.
8. Mare owner understands and agrees that stallion owner, Davis Ranch and/or their representatives, will not be held responsible for accidents, sickness and or death to the mare and/or foal. Furthermore, mare owner agrees that the above named parties shall not be held liable for assumed negligence or errors and that the above named parties may exercise their judgment in supervising and caring for mares and foals. The above named parties assume no liability for mare owners.
9. If this contract is for transported cooled semen, a transported semen information contract must be completed and returned to Davis Ranch prior to the first shipment of semen. In addition, the stallion fee payable to the stallion owner is due in full along with the transportation semen fee payable to Davis Ranch before shipment of semen.
